
Declaration of Compliance with OFAC Sanctions and Council Regulation (EU) No 833/2014

Astrodyne Corporation/Astrodyne TDI hereby declares that it adheres to strict compliance protocols regarding international trade and sanctions. In alignment with our corporate governance and ethical standards, we affirm the following:

- 1. Non-Engagement with Sanctioned Countries:** Astrodyne Corporation/Astrodyne TDI does not engage in any direct business transactions with countries that are listed on the Office of Foreign Assets Control (OFAC) sanctions list. We strictly monitor and control our business activities to ensure that we do not, under any circumstances, violate U.S. sanctions as mandated by OFAC.
- 2. Sub-Tier Partner Compliance:** We actively collaborate with our sub-tier partners to ensure that their business practices are fully compliant with the relevant U.S. sanctions. We undertake due diligence and implement robust compliance measures to prevent any inadvertent engagement with entities or countries subject to OFAC sanctions.
- 3. Compliance with Council Regulation (EU) No 833/2014:** In addition to adhering to U.S. regulations, Astrodyne Corporation/Astrodyne TDI also ensures compliance with European Union sanctions as stipulated under Council Regulation (EU) No 833/2014, which imposes restrictions on certain economic activities involving Russia. We rigorously enforce these regulations in our business operations within the EU and with EU partners.

This declaration is intended to reassure our customers and business partners that Astrodyne Corporation/Astrodyne TDI is fully committed to maintaining the highest standards of legal and ethical compliance in all our business endeavors.
